

... invites you to attend a FREE Two Day workshop with:

**ONTARIO
HIV & Substance Use
Training Program**

The **Ontario HIV & Substance Use Training Program (OHSUTP)** provides training to **substance use, mental health and allied service providers** in Ontario, in order to increase knowledge of **HIV/AIDS** and to promote skills development.

OHSUTP workshops are offered across the province. We are accredited with the Canadian Addiction Counsellors Certification Federation (CACCF) for continuing education credits.

Visit us at www.ohsutp.ca to find out more.

Workshop Topics: There will be a variety of training materials including PowerPoint presentations, exercises, videos, group discussion and case studies.

- HIV/AIDS 201
- Hepatitis C and HIV Co-infection
- Harm Reduction
- Stigma and Discrimination
- Disclosure and Legal Issues
- Counselling Issues
- Substances 101

[To see full workshop details and a complete agenda, click this box.](#)

Date and Time: This is a two day workshop; you are expected to attend to both days.

Wednesday, February 24, 8:30am – 4:30pm

Thursday, February 25, 8:30am – 4:30pm

Location: **St Georges Presbyterian Church
1475 Dundas Street East
London, ON**

Refreshments and Lunch:

Lunch and refreshments are \$15.00 per person and covers both days. Please bring cash on the first morning.

Registration and Sign-up:

1. You will need to register with the OHSUTP website. This is to ensure that the email address submitted is valid and allows you to cancel out of a workshop if necessary.
2. Once you have received confirmation of registration, you can sign up for the workshop. Go to the Upcoming Workshops section and click on the one scheduled for your region.
3. You can then print the materials for your workshop. Simply click on My Workshops, then click View Agenda and then click View and Print All Topics
